

# Newport M.U.D. Community Newsletter

During Winter Weather Storm Uri, several District Facilities sustained damages. The District has been proactive in filing with Insurance and FEMA to help offset the cost of the repairs to those Facilities.

The Board of Directors knows that many of our neighbors are going through the same process right now and wanted to make sure you had as much information as possible to help during the repair process.

### Federal Assistance

If your home sustained damages from the Winter Weather Event and your insurance did not cover them at 100% or you do not have insurance, you may be eligible for federal assistance. The fastest and easiest way to apply is by visiting

[www.disasterassistance.gov](http://www.disasterassistance.gov).

If it is not possible for you to register online, you can call **1-800-621-3362**.

**The Deadline to apply is April 20, 2021**

### Debris removal Assistance

Frontier Waste Solutions has Roll Off Dumpsters available for rental to any residents that sustained damages to their home from the winter storm. For prices and scheduling contact **Frontier Waste at 936-258-9035**. A representative will be able to assist you.

### County Assistance

The Houston Harris County Winter Storm Relief Fund announced March 11, 2021 that they will be investing \$6.3 million dollars in area nonprofits who are able to assist families and individuals who live in Harris County with repairs and financial needs.

If you need home repair assistance logon and fill out a repair application at:
