

## Water District Notice of Public Hearing on Tax Rate

The NEWPORT MUNICIPAL UTILITY DISTRICT will hold a public hearing on a proposed tax rate for the tax year 2022 on Thursday, October 20, 2022, at 4:00 p.m. at 16401 Country Club Drive, Community Room (next to Fitness Room), Crosby, TX 77532. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

### NOTICE OF TAXPAYERS' RIGHT TO ELECTION TO REDUCE TAX RATE

If the district adopts a combined debt service, operation and maintenance, and contract tax rate that would result in the taxes on the average residence homestead increasing by more than 8 percent, the qualified voters of the district by petition may require that an election be held to determine whether to reduce the operation and maintenance tax rate to the voter-approval tax rate under Section 49.23603, Water Code.

**If you are located inside the Newport Municipal Utility District Defined #1 Area, the total tax rate proposed is \$1.40 per \$100 taxable value. If you are located outside the Newport Municipal Utility District Defined Area #1 then the tax rate proposed is \$0.60230 per \$100 of taxable value.**

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
