

Newport M.U.D. Community Newsletter

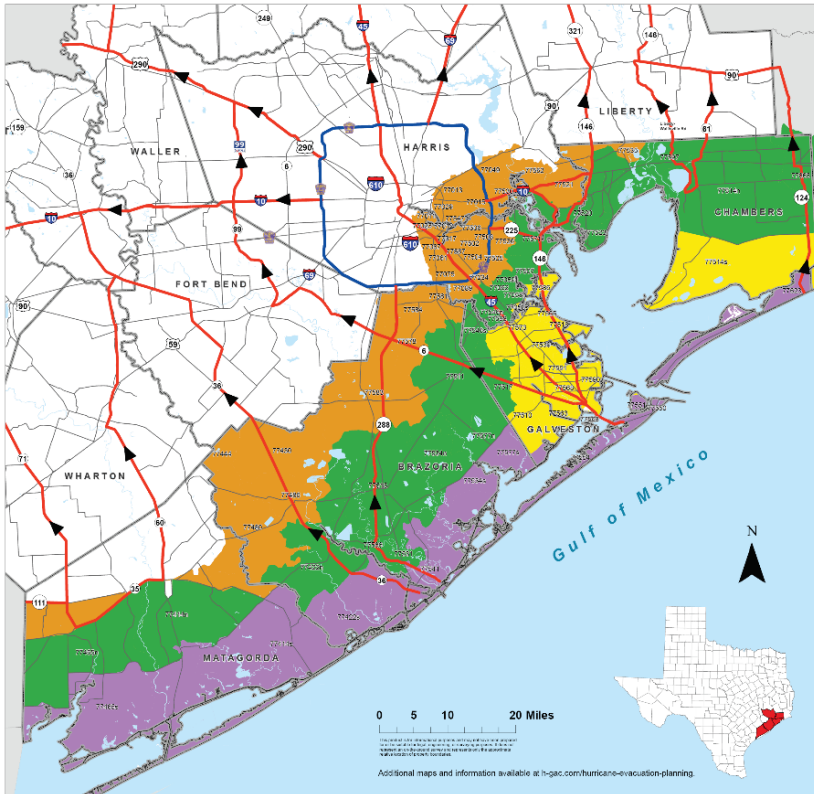

Hurricane Season began June 1, 2021, and will last until November 30, 2021. This is the perfect time for you and your family to prepare before a storm forms in the Gulf. As we all know Hurricanes do not only affect people living along the coast. They can cause damage hundreds of miles away from shore. Take the time to update your emergency kit.

Write down emergency phone numbers and keep them in a safe place. Know your evacuation zone. Locate the nearest shelter and different routes you can take to get there from your home. Pet owners: identify shelters, a pet friendly hotel, or a location where you can take your pets in an evacuation. If you stay home, gather supplies your family will need to stay safe and healthy. You may not be able to drive because of flooding or debris on the roadways.

Make sure you have flashlights, batteries, emergency food and water, and emergency medical supplies. Have important documents in a secure place including birth certificates, insurance information, bank account information, etc.

Know your Evacuation Zone

Brazoria, Chambers, Galveston, Harris, and Matagorda Hurricane Evacuation Zip-Zones Coastal, A, B, C
